**Friday, 29 May**

**08:00 - 08:15**  
**Introduction**

**08:15 - 08:50**  
**Keynote Lecture**  
**The global burden of perioperative patient harm - Current priorities for action**  
**Keynote Speaker**  
Jannicke Mellin-Olsen (Haslum, Norway)

**09:00 - 10:00**  
**Symposium**  
**Patient blood management as a patient safety strategy**  
Chair: Daniela Filipescu (Bucharest, Romania)

**09:00 - 09:20**  
Adequate preoperative anaemia management - How to make it happen  
Patrick Meybohm (Frankfurt, Germany)

**09:20 - 09:40**  
Reducing preventable harm during massive transfusions  
Keith Ruskin (Chicago, United States)

**09:40 - 10:00**  
Safe perioperative coagulation management: staffing, training and quality assurance requirements  
Linda Shore-Lesserson (New York, United States)

**10:00 - 10:30**  
**Coffee Break**

**10:30 - 12:00**  
**Breakout Session**  
**Parallel Breakout Session I**  
Safety challenges related to perioperative equipment and monitoring

**10:30 - 11:15**  
Patient safety during general anaesthesia - Do we need to reconsider monitoring standards?  
Jan Hendrickx (Aalst, Belgium)
Breakout Session
Friday, 29 May
10:30 - 12:00

Parallel Breakout Session II
Advancing perioperative medication safety

Perioperative medication-related patient harm - Evidence from incident reporting
Daniel Arnal (Alcorcon, Spain)
10:30 - 11:15

Safe perioperative medication administration - Practical update from the APSF
Elizabeth Rebello (Houston, United States)
11:15 - 12:00

Lunch break
Friday, 29 May
12:00 - 13:00

Panel
Friday, 29 May
13:00 - 14:00

Combating preventable perioperative patient harm

Safety strategies to prevent failure to rescue following perioperative stroke
Adrian Gelb (San Francisco, United States)
13:00 - 13:20

Preventing avoidable airway and pulmonary complications
Timothy M. Cook (Bath, United Kingdom)
13:20 - 13:40

Improving ward monitoring to prevent perioperative complications
Sharon Einav (Jerusalem, Israel)
13:40 - 14:00

Panel
Friday, 29 May
14:00 - 15:00

Ten years Helsinki Declaration on patient safety in anaesthesiology - Celebrations and challenges

Panelists
Jannicke Mellin-Olsen (Haslum, Norway)
14:00 - 15:00

David Whitaker (Manchester, United Kingdom)

Sven E. A. Staender (Maennedorf, Switzerland)

Andrew Fairley Smith (Lancaster, United Kingdom)
Friday, 29 May
15:00 - 15:30  
Coffee Break

LT  Friday, 29 May 15:30 - 17:00  
Practices that will improve the safety of your patients  Varo

Avoiding postoperative respiratory depression  Richard Urman (Boston, United States)  15:30 - 15:48
Practical advice on fatigue self-management  Céline Mühlethaler (Zürich, Switzerland)  15:48 - 16:06
Responding immediately - Limiting patient harm  16:06 - 16:24
Overcoming hurdles to critical incident reporting  Vojislava Neskovic (Belgrade, Serbia)  16:24 - 16:42
What nurse anaesthetists can contribute to patient safety  Arvid Steinar Haugen (Bergen, Norway)  16:42 - 17:00

Friday, 29 May 17:00 - 18:00
Reception
